

REMARKS

Claims 1 through 86 are currently pending in the application.

Claims 75 through 86 are withdrawn from consideration as being directed to a non-elected invention.

Claims 1 through 74 are subject to an Election of Species Restriction Requirement.

Applicants hereby elect, without traverse, to prosecute the species of invention as set forth in claims 1 through 7, 9 through 28, 30 through 60, and 62 through 74, illustrated in drawing Fig. 10.

Applicants consider claims 1, 33, and 65 to be generic, and note that upon allowance of a generic claim, claims 8, 29, and 61 depending therefrom in a non-elected species would also be allowable.

Applicants request an action on the merits of claims 1 through 7, 9 through 28, 30 through 60, and 62 through 74.

Respectfully submitted,

James R. Duzan
